Five lucky winners were picked from all the jubilee machine purchasers and were presented with a FLIP edge and corner sanding machine.

Lucky after all... In the summer, Mr. Götze's complete company van including machines and equipment was stolen. Which led Mr. Götze to buy a jubilee HUMMEL®. You can imagine how pleased he was to hear from LÄGLER sales consultant Maik Meyer (l.) that he was one of the FLIP winners. Fortune certainly came to the right person in this case.

"Fitsch Parkett und Stiegen" from Vienna

One of the owners of a jubilee HUMMEL® and lucky FLIP winner is the traditional Vienna company Fitsch. LÄGLER branch manager Peter Kammerstätter presented the FLIP to master floor layer Martin Grabner (r.) and congratulated the company on its prize.

Chris Haltom (2nd from left) is very happy with his FLIP prize. His company employs twelve people and works with five HUMMELS® and three TRIOs. The FLIP was presented by Jeff Fairbanks (r.) from the LÄGLER sales partner company Palo Duro.
