SINGLE Wheels and Handle Upgrade

The SINGLE is now equipped with large, soft rubber wheels as well as the ergonomically-shaped handle that offers you an even more comfortable transport to and from the construction site.

Product details:

- Soft rubber wheels Ø 200 mm / width 50 mm
- Wheels of highly elastic soft rubber
- Aluminium handle with ergonomic design

Your added value:

- Easily overcoming of obstacles
- Handle for easier transport
- Wheels protect the machine and the floor

Requirements for retrofitting:

For safety reasons, retrofitting can only be carried out by authorized LÄGLER® dealers.

If you have any further questions about the product or would like advice, please do not hesitate to contact us.
